# The 22nd European Course on The Management of Tinnitus and Hyperacusis

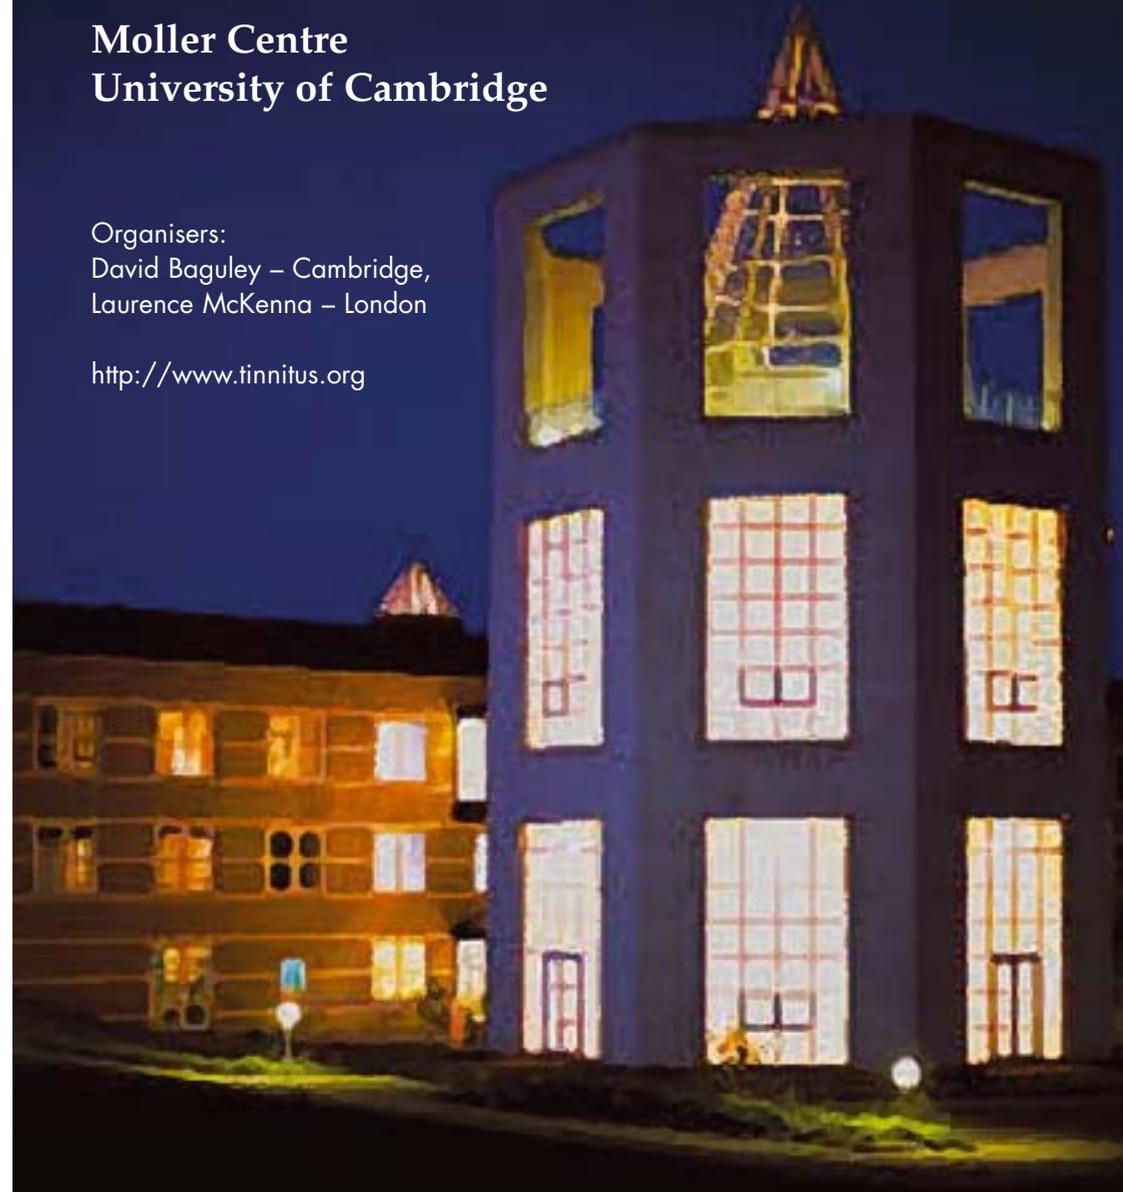

April 13-16, 2003

Moller Centre  
University of Cambridge

Organisers:

David Baguley – Cambridge,  
Laurence McKenna – London

<http://www.tinnitus.org>

## The Management of Tinnitus and Hyperacusis

---

This well established Course presents modern concepts of tinnitus and hyperacusis and their management in an even handed and evidence based manner. Information is given from a number of perspectives, including audiological, psychological, otological and neuroscience. Teaching is undertaken in lectures and workshops and discussion is encouraged during sessions but also informally over meals and drinks.

---

### Faculty

Gerhard Andersson, Uppsala University, Sweden
